

Satvik Bhojan Awareness - Ideathon Project

Objective:

- Promote awareness about Satvik diet for better health and lifestyle.

Concept:

- A website or platform to educate users about Satvik Bhojan benefits, recipes, and tips.
- Includes interactive challenges, quizzes, and visual guides for engagement.

Key Features:

1. Benefits Section - Health, mental clarity, and environmental advantages.
2. Recipe Section - Affordable, wholesome Satvik dishes with images and steps.
3. Tips Section - Dos and Don'ts of Satvik diet, hygiene, and mindful eating.
4. Optional Quiz/Challenge - Users track their Satvik diet engagement.

Implementation (Prototype Level):

- HTML/CSS prototype with hero section, cards for benefits and recipes.
- Minimal JS optional for quiz simulation or card interaction.
- Color-coded layout, images, and hover effects for visual appeal.

Impact:

- Educates students and community about healthy food habits.
- Promotes behavioral change via interactive challenges.
- Scalable through offline posters, workshops, and NGO adoption.
